

Celebrate Culture - Celebrate Diversity - Celebrate Women!

We are an Afro-Caribbean Music and dance ensemble created, directed, and performed by women whose members are culturally diverse. We invite you to join us in a wonderful journey: Africa, Cuba, Haiti, the Dominican Republic, Spain, Israel, Puerto Rico... and resound with us as we weave the dynamic polyrhythms of ancient and contemporary music with the drama and excitement of African drumming, dance and traditions. Always with that unique touch of ¡Retumba!
